Author and strategic teamwork consultant Mark Kenny works with leaders to build stronger, more cohesive leadership teams so that they can eliminate territorial thinking, improve strategic alignment, and move forward together.

Topics Include

- ✓ *The Hippo Solution*: The five transformative actions to eliminate territorial thinking and move forward together.
- ✓ *Pass the Ball*: Improve results by eliminating the gaps between your teams and departments.
- ✓ *Turning Around a Point*: Rethink strategic alignment so teams actually pursue the same collective goal.
- ✓ *Clearing the Trees*: The five organizational constraints hindering teams from flying together.

About Mark

Mark brings almost three decades of experience, originally in IT and operations and later in speaking, consulting, and training. Mark is the author of the upcoming book *The Hippo Solution: Eliminate Territorial Thinking and Unleash the Power of Teams*. He has extensive experience connecting with both technical and business leadership teams.

"I was thrilled with the results. This opened up a new dialogue at the hospital for how we need to lead differently."

"Mark's approach provided an unparalleled experience for my team to break down barriers."

"So energetic, so impactful."

"The most interactive virtual session I have attended."

Deloitte.
