Teamwork keynote speaker and strategic advisor Mark Kenny works with leaders to build teams that overcome and win together. Leaders who leverage Mark's approach create an environment where business units share information instead of operating in silos and teams know how to work together instead of wasting time on rifts and people issues.

### Topics Include

- ✓ *Pass the Ball:* How to Build Teams that Win Together
- ✓ *The Comeback:* Leading teams in the midst of intense pressure and changing expectations.
- ✓ *More Lift, Less Drag:* How to Remove the Silos That Are Preventing Solid Working Relationships between Business Units.

Certified in Patrick Lencioni's Five Behaviors Program

### About Mark

After a career in IT, Mark founded a software company, during which he personally worked with over 100 companies such as Xerox, Ohio State University, and the US Army. Mark now conducts programs on teamwork and leadership, leveraging his multi-industry experience as a team leader, team member, company leader, and consultant. He understands the issues surrounding teamwork from both the leadership and front-line perspectives.

*"So energetic, so impactful"*

*"Interesting, unique, and effective"*

*"Eye opening, meaningful, thought-provoking"*

Deloitte.
